The City of York has undergone revolutionary changes. See for yourself during a walking tour of the York Outdoor Recreation Complex/Sovereign Bank Stadium, the Northwest Triangle and more—former brownfields that have been transformed into a professional baseball park, luxury housing and other city landmarks. Hear from York Mayor John S. Brenner, Blanda Nace of the York County Economic Development Corporation and others who are leading the charge to revitalize the city. Then, cap off the day with a York Revolution baseball game and a buffet dinner.
