Dear Ms. Olah:

Thank you for contacting me regarding your concern about the U.S. Army prohibiting Technical Assistance for Public Participation consultants from expressing professional opinions. I appreciate hearing from you and hope that I can be of assistance.

On your behalf, I have contacted the Department of Defense to request a review of this matter and investigation of your concerns. I anticipate a response in the near future and will contact you again as soon as I receive a reply.

I will keep you up to date with any developments as they arise. In the meantime, please do not hesitate to contact Kim Cates in my Madison office directly if you have any questions.

Thank you again for contacting me. I am happy to be able to help you in this way.

Sincerely,

Herb Kohl  
U.S. Senator
